

# Draft 2017 Goals

Drafted during the AMI Open Forum 12 – 14 April 2017

By 2017:

1. There will be 50,000 AMI members and Affiliated Societies in 50 countries.
2. There will be 30,000 authentic Montessori schools.
3. There will be 250 AMI trainers and training centres in 50 countries that ensure standards of Montessori pedagogical integrity and train 3000 teachers a year.
4. The AMI diploma will be recognised and accredited both nationally and internationally.
5. Identify research needs and conduct research projects in order to refine our pedagogical understanding and inform the research of others.
6. Establish operational resources to enable effective functioning of the Montessori Movement.
7. Develop an organisational capacity that fully supports the outreach activities.
8. Montessori is understood world-wide as a vital resource for human development.
